

**PILLSBURY RECALL****July 1, 9pm (TRT :18)**

KCAL9 anchor Leyna Nguyen reported that Pillsbury has recalled 30,000 cases of frozen biscuits after finding strands of plastic in them. Eating them could pose a choking hazard. She also listed a phone number to call for more information.

**STAGE TWO****July 3, 2pm (TRT :20)**

KCAL9 anchor Dave Clark reported that a "stage two" power alert is in effect. The alert was made because energy reserves are below five percent. If power reserves plunge any lower we could have rolling blackouts.

**POWER WARNING****July 3, 9pm (TRT:36)**

KCAL9 reporter Doug Fernandez reported live from West Hollywood on how residents and businesses are coping with the power crisis and the threat of rolling blackouts.

**JEEP CHEROKEE****July 4, 10pm (TRT:20)**

KCAL9 anchor Mia Lee reported that over a million Jeep Grand Cherokees are under investigation. A federal safety agency is looking into complaints that the SUVs suddenly shift out of gear when in park position. The incidents are being blamed for 32 crashes and 14 injuries.

**QUAKE MONITOR****July 6, 10pm (TRT :30)**

KCAL9 anchor Mia Lee reported on a new earthquake monitoring system that uses global positioning satellites to keep an eye on fault lines.

**AIR RAGE****July 6, 10pm (TRT 1:40)**

KCAL9 reporter Jay Jackson reported live from LAX on the growing problem of "air rage". Flight attendants say that the lives of passengers and crew are in danger.

**401(k) DOWN****July 6, 9pm (TRT 2:00)**

KCAL9 anchor Leyna Nguyen reported that for the first time in history 401(k) retirement plans are losing money. Experts say people invested too heavily in stock funds, their own company's stock or aggressive growth funds.

**WEBVAN BANKRUPT****July 6, 9pm (TRT:30)**

KCAL9 anchor Jerry Dunphy reported that the online grocer Webvan is shutting down and filing for bankruptcy protection. Webvan was "flush" with venture capital when it started two years ago, but they lost money on every order.

**USED CAR WARNING****July 10, 8pm (TRT :20)**

KCAL9 anchor Pat Harvey reported a warning is out -- damaged and salvaged cars are being sold. Cars that were flooded during hurricane Allison in Texas and Louisiana are showing up Florida, but can turn up anywhere. Experts say to check the title certificate for a notation by the insurance company claiming the car as a total loss.

**HIGH CHAIR RECALL****July 10, 8pm (TRT :37)**

KCAL9 anchor Pat Harvey reported that the CPSC is issuing its third-highest high chair recall ever. There have been more than 50 reports of children getting caught between the armrest and backrest. She also listed the specific high chair models being recalled.

**ER ROOMS****July 13, 10pm (TRT :35)**

KCAL9 anchor Pat Harvey reported that although hospitals are required by law to provide emergency care for everyone, whether they can afford it or not, hundreds of hospitals nationwide broke the law, including over 70 in California.

**AIRFARE DEALS****July 19, 12pm (TRT 1:32)**

KCAL9's "Money Man" Alan Mendelson reported that the best airfare deals can currently be found online, as airlines "slug it out" to become the "king of internet travel".

**LOW GAS PRICES****July 20, 9pm (TRT 1:32)**

KCAL9's "Money Man" Alan Mendelson reported that pump prices are continuing to fall throughout the southland. Oil insiders say this is due to the fact that we are driving less while oil refineries are working at full steam. However, OPEC ministries have indicated that they will cut production of crude oil to keep world oil prices from falling any further.

**SAVE THAT REBATE****July 20, 12pm (TRT 1:32)**

KCAL9's "Money Man" Alan Mendelson reported that although the government may want you to blow your tax rebate on shopping, there are many other smarter options that will give you a greater return – such as paying down credit cards, mortgages, or setting up a college fund.

**NIKE RECALL****July 22, 3pm (TRT :25)**

KCAL9 anchor Mia Lee reported that Nike is recalling more than 400,000 pairs of shoes. A thin metallic strip on certain models has caused at least six injuries so far. Nike says it will replace the shoes for free.

**FORD TIRE REPLACEMENT****July 25, 2pm (TRT 1:45)**

KCAL9 anchor Jane Velez-Mitchell reported federal safety inspectors are worried that a certain replacement tire for the defective Firestone tires may be more dangerous than the original.

**TIRE PRESSURE****July 25, 8pm (TRT 1:37)**

KCAL9 anchor Kerry Kilbride reported that the government wants to add a tire pressure warning light to a car's dashboard. Safety experts say it could reduce the number of accidents caused by tire blow-outs, but not everyone is certain the warning system would protect drivers and passengers.

**HOME SALES****July 27, 12pm (TRT :31)**

KCAL9's "Money Man" Alan Mendelson reported that the real estate market is still healthy, despite the slowing economy. Here in southern California sales are holding up well and prices are still going up on homes.

**UNITED****July 27, 12pm (TRT 1:30)**

KCAL9's "Money Man" Alan Mendelson reported that the proposed deal for United Airlines to buy US Airways is back on, although the Justice Dept. will go to court to block it. United is the second largest airline, and its merger with US Airways creates anti-competition concerns among "the feds", consumer advocate groups and travel agents.

**NURSING HOME ABUSE****July 31, 12pm (TRT :48)**

KCAL9 anchor Jane Velez-Mitchell reported that a new report on nursing home abuse has revealed some nationwide horror stories. Nearly a third of all nursing home in the US were cited for an abuse violation between January 1999 and January 2001. A new bill is being introduced in an effort to reduce these violations.

**BURGER KING RECALL****July 31, 2pm (TRT :52)**

KCAL9 anchor Jane Velez-Mitchell reported on two recalls announced today. Burger King is recalling 3 million toddler toys that were included in kids' meals -- the toys can break open and release small beads that children can choke on. And Fisher-Price is recalling more than half a million portable bassinets with folding frames in which adults and children can get their fingers stuck.

**[GONZALES PACKAGE: CODE RED WORM]****July 31, 12pm (TRT 1:12)**

KCAL9 anchor David Gonzales reported on the Code Red Worm, which is a type of computer virus that scans the internet looking for vulnerable computers. It affects website servers running MS Windows NT or 2000 and Internet Information services software. Microsoft is offering a free software patch on its website in hopes that users can mitigate much of the potential damage.

**WOMEN CREDIT****July 31, 9pm (TRT 1:48)**

KCAL9's "Money Man" Alan Mendelson spoke to the author of a new book written to help women plan ahead for their financial futures.

**SUV CRASH TESTS****July 31, 10pm (TRT 1:17)**

KCAL9 anchor Sylvia Lopez reported that maintaining an SUV can get very expensive, as the costs from even low-speed fender benders can be quite high and add up quickly.

**POWER POINTS****August 3, 8pm (TRT 4:00)**

KCAL9's "Money Man" Alan Mendelson reported that while there is still no solution for the power shortage, there is some new technology to help us better manage the crisis. These include infrared camera to measure energy leakage and battery back-up power systems.

**WRONG FLIGHT****August 5, 9pm (TRT :20)**

KCAL9 anchor Leyna Nguyen reported that two unaccompanied children were accidentally flown to the wrong airport on America West Airlines. The airline says it will no longer allow children to fly unaccompanied unless it's on a non-stop flight.

**MARKETSOURCE****August 8, 12pm (TRT:50)**

Reporter Claire Leka at the New York Stock Exchange reports the latest on the stock market, and what has caused the Dow and NASDAQ to take a dive today.

**FORD EXPLORER****August 9, 8pm (TRT :24)**

KCAL9 anchor Kerry Kilbride reported that Consumer Reports has given a "thumbs up" to the newly redesigned 2002 Ford Explorer. The Explorer outscores five of its competitors in performance tests, and is the best-selling SUV in the world despite fallout from the Firestone Tires accidents.

**POWER LOSSES****August 10, 10pm (TRT :17)**

KCAL9 anchor Pat Harvey reported that California is being forced to sell its excess power at a huge loss, after ending up with too much power this summer. The losses now total 73 million dollars.

**FIRESTONE ADV****August 12, 9pm (TRT 2:18)**

KCAL9 reporter Patty Davis takes a look at the fallout from defective Firestone tires. The first lawsuit against the tire manufacturer goes to trial tomorrow.

**MCDONALDS FLAVOR****August 13, 10pm (TRT :22)**

KCAL9 anchor Kerry Kilbride reported that McDonald's restaurants will soon start informing customers of the specific source of "natural flavorings" used in its food. The decision is in response to suits by vegetarians accusing McDonald's of using beef flavoring in its french fries.

**FOOD LABELS****August 13, 8pm (TRT :37)**

KCAL9 anchor Jerry Dunphy reported that the government may soon order food makers to include all ingredients on their labels. The idea is to protect those with serious allergies to certain foods. The FDA has no timetable but Congress is expected to push the agency.

**0% DOWN HOMES****August 13, 9pm (TRT 1:49)**

KCAL9's "Money Man" Alan Mendelson reported that confidence is still high in the real estate market, which is one reason why you can still buy a home with 100% financing.

**TAX DEADLINE****August 15, 2pm (TRT :15)**

KCAL9 anchor Jane Velez-Mitchell reported that today is the deadline for taxpayers who got an extension on their income tax returns. Taxpayers who miss the deadline will miss out on the President's tax cut rebate.

**ADDED GAS TAXES****August 15, 2pm (TRT :15)**

KCAL9 anchor Doug Fernandez reported that although President Bush's energy plan was supposed to save taxpayers money, Congress had added some "pet projects" to it that could cost \$70 billion over the next ten years.

**MORTGAGES****August 17, 2pm (TRT 3:49)**

KCAL9's "Money Man" Alan Mendelson reported from Countrywide Home Loans on homebuyers' reactions to falling interest rates. While people are generally taking advantage of lower mortgage rates, people who wait too long run the risk that rates will turn higher unexpectedly.

**GAS PRICES****August 17, 9pm (TRT 1:17)**

KCAL9 reporter Sandy Grace reported on falling gas prices. AAA says prices have been going down for weeks.

**GEL CANDY****August 17, 8pm (TRT :22)**

KCAL9 anchor Pat Harvey reported that three American children have recently choked to death on Taiwanese fruit flavored gel candies. The FDA is considering whether to pull them from the market. The package has a warning instructing consumers not to suck on the candies that can get caught in the throat.

**FORD JOB CUTS****August 17, 12pm (TRT :16)**

KCAL9 anchor Jane Velez-Mitchell reported that Ford Motor Company announced it's eliminating between 4000 and 5000 jobs in North America. Ford says it's a necessary cost-cutting measure, as sales dropped almost 13% in July.

**AIR TRAVEL FEES****August 23, 9pm (TRT 3:49)**

KCAL9's "Money Man" Alan Mendelson reported that airlines are reducing commissions they pay for selling plane tickets, forcing travel agents to increase the fees they charge customers. At the same time, airlines are also boosting their website operations to take on a new swell of consumer traffic.

**SCHOOL UNIFORM****August 23, 12pm (TRT 1:47)**

KCAL9's "Money Man" Alan Mendelson reported on discount stores that offer school uniform clothing at greatly reduced prices.

**MENDELSON PKG****August 24, 12pm (TRT 1:49)**

KCAL9's "Money Man" Alan Mendelson reported on the first meeting of the state's new Consumer Power and Conservation Financing Authority. At issue: should the state buy property and transmission lines to give the utilities a cash infusion?

**EXECUTIVE PAY****August 28, 12pm (TRT :22)**

KCAL9 anchor Jane Velez-Mitchell reported that while big corporations are laying off thousands in the workforce, many corporate heads got pay raises and rewards for making job cuts. The source was a study done by the Institute of Policy Studies and United for a Fair Economy.

**EU MONEY****August 30, 2pm (TRT :30)**

KCAL9 anchor David Gonzales reported that Frankfurt, Germany hosted the first official presentation of the new EU currency. The bills will be the most sophisticated in the world and will begin circulating in 12 countries on 1/1/2002.

**COMPAQ/HEWLETT-PACKARD****September 3, 10pm (TRT :15)**

KCAL9 anchor Sylvia Lopez reported that Hewlett-Packard is buying Compaq Computer for an estimated \$25 million. The merger will create a company to rival IBM in size.

**ENERGY BAILOUT****September 4, 8pm (TRT :35)**

KCAL9 anchor Kerry Kilbride reported that consumer advocates dropped off a pile of 30,000 petitions to the Governor's office requesting that he reject the bailout plan for Edison Electric.

**SCHOOL BUDGET****September 4, 12pm (TRT 1:49)**

KCAL9's "Money Man" Alan Mendelson reported on how parents are making spending mistakes while back-to-school shopping. Avoid designer products or those with licensed characters. He also listed a phone number to call for help with wise spending.

**LAST QUAKE CLAIM****September 4, 8pm (TRT:36)**

KCAL9 anchor Pat Harvey reported that homeowners who feel they did not receive a fair settlement after the Northridge earthquake may re-open their claims until December 1<sup>st</sup>. A lawsuit has been filed to force insurance companies to inform customers of their new rights.

**FORD EXPEDITIONS****September 5, 12pm (TRT:22)**

KCAL9 anchor David Gonzales reported that an estimated 430,000 Ford Expeditions may have problems with their front stabilizer bar links. The Highway Traffic Safety Commission is now collecting data from Ford. So far no injuries or accidents have been reported.

**NEW BANK****September 5, 12pm (TRT 1:49)**

KCAL9's "Money Man" Alan Mendelson reported on Washington Mutual's new "banks of the future", which they call WAMU. These banks feature ATMs inside the branch at each teller station, so the teller does not have direct contact with the cash. The WAMU banks are being installed as older banks are renovated.

**OC HOMES****September 7, 3pm (TRT:15)**

KCAL9 anchor Mia Lee reported on a new survey indicating that Orange County is home to the nation's hottest properties. OC has the highest demand for houses in the nation, bumping NY/Long Island to #2.

**DWP ENERGY****September 10, 12pm (TRT:22)**

KCAL9 anchor Jane Velez-Mitchell reported on an independent audit that found the DWP made far more money selling power to the rest of the state than it reported. DWP officials deny any price gouging.

**UNEMPLOYMENT****September 10, 12pm (TRT:40)**

KCAL9 anchor David Gonzales reported that the Labor Dept. says unemployment is at a 4-year high. After holding steady all summer, the unemployment rate is at 4.9. Some economists say it's only going to get worse.

**OIL INDUSTRY****September 11, 3pm (TRT 1:45)**

KCAL9's "Money Man" Alan Mendelson reported that there was an immediate impact on the oil industry (in the wake of the terrorist attacks) and gasoline prices are expected to rise as early as tonight. Oil industry insiders say they are worried that the same terrorists who orchestrated the attacks on the WTC could also target pipelines and refineries. Several gas refiners have raised prices by 20 cents a gallon.

**LAX TONIGHT****September 16, 9pm (TRT 1:40)**

KCAL9 reported David Goldstein reported live from LAX as thousands of travelers try to get on with their plans. Security is tight and travel remains slow-going.

**STOCKS/ECO. IMPACT****September 16, 9pm (TRT 1:30)**

KCAL9's "Money Man" Alan Mendelson reported on the NYSE's plans to reopen on Monday morning. To limit the damage of a sell-off, the S&E Commission has relaxed certain stock market rules, including the one that restricts companies from buying their own stock. However, some analysts are suggesting there may be a patriotic rally to buy stocks to fight back against the terrorists.

**GLOBAL TRAVEL****September 18, 3pm (TRT 1:44)**

KCAL9 anchor Mia Lee reported that the tourist industry worldwide has braced itself for a big slowdown, in response to last week's terrorist attacks. Some bookings are down almost 30% worldwide.

**LAX PASSENGERS****September 18, 12pm (TRT:35)**

KCAL9 anchor David Gonzales reported on the new drop-off spot which opened at 9011 Airport Blvd. near LAX. People say the strict security measures make them less fearful.

**STOCKS TODAY****September 18, 12pm (TRT 1:35)**

Reporter Claire Leka reported live from the New York Stock Exchange how investors are recovering from yesterday's big sell-off on Wall Street. The Dow suffered its worst one-day point drop ever.

**TERRORISM/ECONOMICS****September 21, 12pm (TRT 2:44)**

KCAL9's "Money Man" Alan Mendelson reported that there is an investigation going on into the stock market trading of terrorists including Osama Bin Laden. There are allegations that while most people were losing money the terrorists were striking it rich.

**BEST BUY****September 24, 12pm (TRT :22)**

KCAL9's "Money Man" Alan Mendelson reported that Estate Jewelry Buyers has a liquidation of gold and diamond tennis bracelets, in an effort to encourage spending after the terrorist attacks. He listed the address and phone number of the store.

**BEST BUY****September 24, 2pm (TRT 1:15)**

KCAL9's "Money Man" Alan Mendelson reported that in the stock market, airline stocks are leading the rebound. Some media and auto stocks are also up. Many analysts say the market last week was "oversold". He also reported on "triple witching" which happened on Friday.

**LAID OFF WORKERS****September 27, 3pm (TRT:40)**

KCAL9 anchor Mia Lee reported that financial damage and the fear of flying has cripples the tourism industry, with estimated losses in the billions. Congress has approved the \$15 million bailout to the major passenger carriers, but the package doesn't include any help to the 100,000 workers being laid off.

**BACK TO NORMAL?****September 30, 12pm (TRT 2:01)**

KCAL9 reporter Bryan Jenkins went out and reported on if and how people were getting back into their routine and spending money.

**HEAL THE BAY****July 1, 2pm (TRT 2:00)**

KCAL9 anchor David Gonzales reported that Heal the Bay held an event at Venice Beach (Bay Days) in an effort to "clean up our coast". KCAL 9 was a sponsor of the event.

**RAIN/WIND STORM****July 3, 9pm (TRT :20)**

KCAL9 forecaster Marti Skold reported on the pounding rain and heavy winds experienced in the Antelope Valley, due to monsoonal moisture.

**SOUTH CAROLINA TWISTER****July 6, 10pm (TRT :40)**

KCAL9 forecaster Marti Skold reported on a tornado in Myrtle Beach, SC which had started as a waterspout. Although some people were injured by flying glass, no serious injuries were reported.

**CHINA FLOODS****July 8, 9pm (TRT :21)**

KCAL9 anchor Dave Clark reported on the flooding in China's "Gwahn-Zhee" province, which is the worst in 50 years. Rising waters have killed at least three people and injured many more.

**WHALE RESCUE****July 10, 10pm (TRT :20)**

KCAL9 anchor Kerry Kilbride reported that bad weather on the MA coast has made it hard for crews to rescue an endangered whale that's been caught in a fishing line for over a month. The whale is one of only 300 "right" whales left in the world, and the rope has caused an infection that could eventually kill him.

**SHUTTLE TODAY****July 15, 9pm (TRT :25)**

KCAL9 anchor Leyna Nguyen reported that the crew of Atlantis and the International Space Station connected the first part of an 18 foot-long airlock. The airlock adds a fifth room to the space station.

**YOSEMITE BEARS****July 17, 9pm (TRT :20)**

KCAL9 anchor Jerry Dunphy reported that park rangers in Yosemite and other national parks are asking for federal legislation prohibiting people from storing food in their cars. In 1998, there were more than 1600 car break-ins by bears who were looking for food. The law would save the lives of bears.

**CONTAMINATED****July 20, 9pm (TRT :25)**

KCAL9 anchor Sylvia Lopez reported that water officials today developed an action plan to prevent further pollution by the chemical MTBE in the southland's water supplies. MTBE has leaked from pipelines and underground tanks and spewed from boat and watercraft motors.

**BEACH DYE****July 20, 9pm (TRT :20)**

KCAL9 anchor Sylvia Lopez reported that the sea in Huntington Beach turned red today. Researchers dumped red dye into the water to trace the tides and test a theory: that treated sewage piped miles out is returning to shore. The study continues until September.

**INYO QUAKE****July 22, 2pm (TRT :24)**

KCAL9 anchor Dave Gonzales reported that several small earthquakes hit Inyo County early this morning. There have been no reports of damage or injury.

**FIREBALL****July 25, 3pm (TRT :43)**

KCAL9 anchor Mia Lee reported that many people have reported sightings of a mysterious light show the night before. Sightings were reported from Virginia to New York. The US Naval Observatory suggests the light streak was a "fireball", where the earth collides with a space rock.

**WATERSPOUTS****July 25, 3pm (TRT :13)**

KCAL9 anchor Mia Lee reported that a fisherman captured on videotape three waterspouts side-by-side, 25 miles off Panama City. No injuries were reported.

**EPA DIGGING****July 27, 10pm (TRT :20)**

KCAL9 anchor Pat Harvey reported that EPA crews have begun digging soil in the yards of homes in the Harbor Gateway area of L.A., due to contamination by the pesticide DDT. The work is part of the ongoing cleanup of the Montrose del Amo superfund site.

**TOPANGA FIRE DANGER****July 29, 9pm (TRT :40)**

KCAL9 anchor Leyna Nguyen reported that people who live in Topanga Canyon are trying to convince officials to buy a "super scooper" – a state of the art Canadian aircraft that holds more water than the planes used but the CA Dept. of Forestry.

**BEAR SHOT****July 29, 9pm (TRT :40)**

KCAL9 anchor Leyna Nguyen reported that a young bear had to be killed in La Verne when it bit a woman's arm at the County-run Marshall Canyon Tree Farm. After biting the woman, the bear ran up a tree and officials had no option but to kill it.

**ETNA LAVA****July 31, 10pm (TRT :25)**

KCAL9 anchor Kerry Kilbride reports on Mt. Etna's latest eruption. Rivers of lava continue to flow from the volcano, threatening to overtake a ski resort, but no evacuations have yet been ordered.

**HOT WX****August 3, 2pm (TRT 1:25)**

KCAL9 reporter Leanne Suter reports live from Riverside on how people are going to extremes to keep cool in the Inland Empire.

**FL BARRY****August 5, 9pm (TRT :44)**

KCAL9 anchor Leyna Nguyen reported that a tropical storm in Florida should reach hurricane status by later that night. People living in the panhandle are taking precautions and stocking up on supplies, and a hurricane warning remains in effect from Mississippi to Florida.

**GEHRY CARD****August 5, 9pm (TRT :35)**

KCAL9 anchor Leyna Nguyen reported that an environmental group was in Santa Monica gathering signatures on an oversized greeting card. The "earth memo" will be sent to architect Frank Gehry, who is reportedly planning to move his offices to the ecologically sensitive Ballona Wetlands. The "Alliance for Survival" opposes its development.

**BEACH WATER****August 8, 10pm (TRT 2:03)**

KCAL9 reporter David Goldstein reports that California leads the nation in filthy beaches.

**LIGHTNING STRIKE****August 9, 8pm (TRT :28)**

KCAL9 anchor Kerry Kilbride reports that the CA Dept. of Forestry is monitoring lightning strikes, due to many small fires ignited by lightning yesterday.

**PLUMAS QUAKE****August 10, 10pm (TRT :20)**

KCAL9 anchor Kerry Kilbride reported that an earthquake hit Plumas County this afternoon, shaking parts of Northern California and Nevada. It was centered about 50 miles from Reno and felt as far away as San Bernadino. No injuries or damages were reported.

**SHUTTLE DOCKS****August 12, 7pm (TRT :30)**

KCAL9 anchor Leyna Nguyen reported that the International Space Station's replacement crew arrived this morning. The space shuttle Discovery docked in order to drop off supplies. The old crew had been living on Alpha Station since March.

**QUARTZ FIRE****August 13, 10pm (TRT :25)**

KCAL9 anchor Pat Harvey reported that a wildfire raging out of control was threatening homes in Oregon, about 10 miles southwest of Medford. Crews can't get near the flames that are burning in the tops of tall trees as well as grass and sagebrush.

**GREENPEACE****August 13, 9pm (TRT :23)**

KCAL9 anchor Jerry Dunphy reported that 15 Greenpeace activists and two journalists pleaded "not guilty" to federal charges. They were arrested last month at Vandenberg Air Force Base in a protest against the Bush Administration's missile defense program.

**GLACIER OUTBURST****August 15, 10pm (TRT :20)**

KCAL9 anchor David Gonzales reported that a glacier on Mt. Rainier melted and is sending water rushing into the Nisqually River. The river isn't flooding but emergency officials have evacuated two campgrounds.

**EMIGRANT GAP FIRE****August 15, 10pm (TRT :25)**

KCAL9 anchor Pat Harvey reported on a fire in a steep forest near a spot called Emigrant Gap, about 70 miles NE of Sacramento. One westbound lane of I-80 was closed in the area because of the fire.

**NASA ULTRAVIOLET****August 15, 10pm (TRT :25)**

KCAL9 forecaster Marti Skold reported on pictures from NASA which show the hottest spots on earth. The images were collected from a satellite that looks at the amount of UV radiation exposure in different parts of the world.

**HEAL THE BAY INTRO****August 16, 12pm (TRT 2:00)**

KCAL9 anchor Jane Velez-Mitchell reports on a major statewide beach cleanup that will begin soon. Heal the Bay says that in a year you will see a difference in the sand and the surf.

**PHOENIX MONSOON****August 17, 12pm (TRT :36)**

KCAL9 forecaster Carl Bell reported that a storm cut electricity to thousands of people in Gila Bend, Arizona. Residents will have to wait a few more days until utility poles are replaced and power restored.

**SHARK ATTACK****August 19, 9pm (TRT :25)**

KCAL9 anchor Leyna Nguyen reported on three more shark attacks off the coast of Smyrna Beach, Florida. Two victims were treated and released at a local hospital, but a third victim had two tendons in her calf ripped by the shark while she was surfing.

**LEONA FIRE****August 20, 10pm (TRT :25)**

KCAL9 anchor Sylvia Lopez reported that a brush fire in the Leona Valley had firefighters "scrambling" to save several homes. Residents got involved fighting the flames as well. Nearly 35 acres burned before the fire was brought under control.

**FRUIT FLY SPRAY****August 28, 8pm (TRT :20)**

KCAL9 anchor Pat Harvey reported that pesticide spraying began today in San Diego and San Jose. San Diego officials may have to impose a quarantine on grocery stores and open air markets if more flies are found.

**KILLER WHALE BIRTH****September 3, 10pm (TRT :30)**

KCAL9 anchor Sylvia Lopez reported that Kasatka the Killer Whale has given birth to a 350-lb. calf, the first ever conceived by artificial insemination. Park officials haven't named it yet since they don't know if it's a boy or a girl.

**MONTANA FIRE****September 3, 10pm (TRT :30)**

KCAL9 anchor Kerry Kilbride reported that 18 major fires continue to ravage 8 western states, with more that 200,000 acres blackened. The largest fire, in Glacier National Park in Montana, is now too dangerous to fight due to powerful winds. All aircraft fighting the fire were grounded today.

**TORRENTIAL RAINS****September 4, 12pm (TRT :35)**

KCAL9 anchor Jane Velez-Mitchell reported that high winds and heavy rains overturned mobile homes and toppled utility poles last night in Yermo and Barstow, leaving many without electricity. No injuries had been reported.

**RED TIDE DEVICE****September 4, 12pm (TRT :42)**

KCAL9 anchor Jane Velez-Mitchell reported that an algae bloom called the "red tide" has left behind thousands and thousands of dead fish. As a solution, an oil vessel is chopping up the fish and pushing them underwater offshore.

**ITALY ISLAND****September 5, 9pm (TRT :26)**

KCAL9 anchor Sylvia Lopez reported that a salvage operation is underway to expose an island buried for centuries in a Venice, Italy lagoon. It's hoped that the salvage operation will offer clues on how to save the island of Venice from sinking in the same manner.

**SHARK SCHOOL****September 7, 9pm (TRT :22)**

KCAL9 anchor Kerry Kilbride reported that sharks are swimming perilously close to the shore in Florida. In Panama City, some of the sharks were within 50 yards of the beach. No attacks had been reported that day.

**PREPS/QUAKE****September 10, 8pm (TRT 1:28)**

KCAL9 anchor Leyna Nguyen reported live from Westwood on proper earthquake preparation in response to the Sunday, September 9 quake centered in West Hollywood.

**EARTHQUAKE FOLO****September 10, 12pm (TRT 1:20)**

KCAL9 anchor Josh Rubenstein reported live from West Hollywood on the latest effects of the Sunday, September 9 earthquake centered in West Hollywood.

**COASTAL DILEMMA****September 10, 12pm (TRT :41)**

KCAL9 anchor Jane Velez-Mitchell reported that forecasters are warning residents along "Hurricane Alley" that they may soon experience hurricanes much greater than what they've seen. During the last 50 years, the population in this area has nearly doubled, and major hurricanes have rarely hit the US during this time.

**TROPICAL STORM NARI****September 18, 12pm (TRT :36)**

KCAL9 anchor Jane Velez-Mitchell reported that 21 people died in mudslides and flash floods after tropical storm Nari whirled over Northern Taiwan. The storm blacked out more than 820,000 homes.

**BALLONA CREEK****September 21, 12pm (TRT :25)**

KCAL9 anchor David Gonzales reported that LA's regional water quality control board approved a plan to clean up Ballona Creek. The 14-year plan institutes a "zero trash tolerance" for sewers that drain into the creek – the Westside's main watershed. This will require the county and Westside cities to strain all the solids out of storm drains that feed into the creek.

**BRUSH FIRE****September 25, 2pm (TRT :20)**

KCAL9 Inland Empire reporter Leanne Suter reported that a 200-acre wildfire has destroyed a home in Fontana, San Bernadino county.

**HURRICANE JULIETTE****September 27, 2pm (TRT :35)**
